A Taste of Home

VIETNAMESE SET LUNCH

Rooted in warmth and tradition, celebrates the “golden” soul of Vietnamese comfort food. This set is a gentle combination of hearty root vegetable soup and the bold flavors of shaking Wagyu beef, a tribute to local ingredients and timeless techniques. It's a nostalgic journey - familiar, satisfying, and deeply personal.

Harmony in Every Bite

JAPANESE SET LUNCH

Minimalist yet expressive, embodies the Japanese philosophy of balance and seasonality. Silky miso soup, tender teriyaki chicken, and the delicate onsen egg come together in a refined combination that soothes and energizes. It's a quiet celebration of purity, precision & grace.

Bold, Vibrant & Soulful

KOREAN SET LUNCH

Pulsive, dynamic with the spirit of Korean cuisine - where spice meets depth and every bite tells a story. From the nourishing seaweed beef soup to the fiery kimchi fried rice crowned with grilled salmon, it's a flavorful dance of tradition and modern flair.

Sunlit in Sophistication

MEDITERRANEAN SET LUNCH

Inspired by the golden coasts and rustic kitchens of the Mediterranean, this set is a celebration of freshness and finesse. Lentil soup, pan-seared seabass, and creamy potato espuma evoke breezy afternoons and slow living. It's elegant, wholesome, and effortlessly "lit".
